Commissioner for Patents

Dear Sir:

Applicants wish to bring the documents listed on the attached Form PTO-1449 to
the attention of the Examiner in the above-captioned application for U.S. Letters Patent.
A copy of each of the referenced documents is enclosed herewith, along with a copy of
Form PTO-1449. Applicants have paid the fee under 37 C.F.R. 1.17(p).

Applicants do not believe that any of these references, alone or in combination, discloses or suggests the invention claimed. Applicants wish to make it clear that the disclosure of the above references is in no way an admission that they qualify as prior art. It is Applicants' desire, however, to have these references available in the record for both the Examiner and the public to see. Applicants therefore request that the Examiner review the entire disclosure of each reference and make these references of record.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael P. Chu", written over the typed name.
